*Please attach your responses* to the following questions (typed or word processed).

1. How many people were served by the project? Offer a demographic profile (age, ethnicity, gender, socioeconomic) to the extent that one is available.
2. What were the measurable outcomes of the project as compared with your expectations? Did the impact of the project extend beyond the population directly involved?
3. How will your organization use the data/outcomes of this project?
4. Will you continue this project? If so, how will it be funded? Do you anticipate any changes? Expansion? Replication to other sites?
5. Were there any unanticipated benefits of challenges that occurred as the project was implemented?
6. Are there any other comments you would like to include about the project?
7. Is there any feedback you can suggest to improve the processes involved with this grant from the Women's & Girls' Fund of Kern County?

Please provide the following information with your report.

1. Final project budget.
2. Summary statement listing all expenditures of Women's & Girls' Fund grant monies.
3. Copies of all published materials associated with the grant award. Photos are also appreciated.
