2019: The Year B-i-i-i-g Dreams Came True!
About Give Big Kern 2019 - Introduction

Kern Community Foundation, the host of Kern County’s Official Online Day of Giving, Give Big Kern, challenged our nonprofit partners to “Dream B-i-i-i-g!” (our Giving Day theme this year) and, with the help of our sponsors, supporters, and a very giving community, we made dreams come true for 114 local agencies on our biggest Give Big Kern yet.

Since its launch in 2016, Give Big Kern has made it possible for hundreds of Kern nonprofits to raise almost $1 Million and receive close to 230,000 pledged volunteer hours from thousands of generous community donors and volunteers—with about 40% of those amazing results happening in 2019.

As you read our Give Big Kern 2019 Report to the Community in the pages that follow, please consider:

✓ Sharing it with nonprofits you know that could benefit from participating in this countywide celebration of giving, which helps nonprofits improve their visibility, capacity and sustainability through a popular online giving campaign that teaches them important fundraising, social media marketing, and donor and volunteer development and retention skills;

✓ Giving back by donating or pledging volunteer hours next year to a nonprofit you feel passionate about; or

✓ Becoming a Give Big Kern 2020 sponsor to help Kern Community Foundation continue to offer this Countywide Day of Giving FREE to hard-working nonprofits in our community.

And as our Mascot, Billy the Give Big Goat might say, “Happy R-e-e-e-a-a-a-d-i-n-g!”

What Made Such a B-i-i-i-g Difference in 2019?

Participating Nonprofits Embraced Goal Setting, Peer-to-Peer Fundraising & Matching Gift Strategies Like Never Before!

By leveraging underutilized effective strategies (Goal Setting, Peer-to-Peer Fundraising, and Matching Gifts), which are proven to yield 2x, 3x or 4x more dollars when implemented...

Following strategically delivered trainings on these strategies, nonprofits implemented:

- **Clear fundraising goals** (set by more than four out of five participating agencies)
- **110 Peer-to-Peer Fundraising Campaigns** (vs. 38 in 2018—a **189% increase**!)
- **19 Matching Gift Campaigns** (vs. 2 in 2018—an **850% increase!!!**)

Some agencies even implemented multiple Peer-to-Peer or Matching Gift Campaigns (or both!) and **96% of all matching dollars were successfully exhausted**. The power of challenging friends to give and the incentive of seeing one’s dollars matched were key!
Product Enhancements Leading to Improved Outcomes

- **One-tiered credit card fee** for online donors—No higher fees for AmEx!

- A new, convenient “Gift Basket” option similar to an online shopping cart that allows donors to “browse” around the GiveBigKern.org website, choose several nonprofits to donate to, and check out just once, at the end. For tax purposes, donors receive customized e-mail receipts/acknowledgments from each supported nonprofit.

- An **embeddable donate button** allows nonprofits to link right from their agency’s website to their Give Big Kern donation page. This makes for more convenient, streamlined giving from a web page that is already familiar to donors looking to support an agency they like.

  Example of the embeddable button on the kernfoundation.org website.

- Having the “I’ll cover the fees” checkbox pre-checked effectively motivated a whopping 94% of donors to cover online transaction fees. (Historically, with the “opt in” approach, three-fourths of Give Big Kern online donors have covered transaction fees. The pre-checked option that was implemented this year simply inspired greater generosity.)

Year after year, Give Big Kern stimulates the local economy with fresh, new dollars that come from outside of Kern County.

Most Give Big Kern donations (86%) are still received online, and close to one-third (32%) of online donations come from donors outside of Kern.

This year, Kern Dance Alliance won the “Give Big from Far, Far Away Prize” ($250) for a donation that came from one of the most distant places on the planet from Kern County: South Africa!

There are no geographic boundaries with an online day of giving, and we aim to continue to engage even more donors from throughout our county, state, nation, and world (and possibly even a space station or two!) to donate through Give Big Kern in the years to come.
Social Media and Technology Trends in Online Giving

The chart immediately following represents 30% of Give Big Kern online giving, which was fueled by social media. The slices of the pie chart detail the social media platforms that were responsible for driving donations to GiveBigKern.org.

For the first time in Give Big Kern history, Instagram (plus Instagram Stories) drove more of the online giving traffic than did Facebook. This development goes hand in hand with the increase in online giving from mobile devices between 2018 (66%) and 2019 (80%).

We are honored to have received the Beautiful Bakersfield Crystal Camellia Award for helping to create “A Better Bakersfield” by unleashing the power of community members’ charitable giving to benefit Kern’s nonprofit sector through Give Big Kern.

While this year’s award is based on last year’s performance, we are proud of accomplishments that continue to grow from year to year thanks to our giving community, our sponsors, and our very engaged nonprofit partners.
What does Give Big Kern have in store for next year?

In 2020, Give Big Kern falls on May 5: Cinco de Mayo!

You know what that means: Get ready to Give Like It’s a Fiesta!
And Because We’re Always Looking for Ways to Improve...

Please Continue to Engage with Us and Cheer Us On!

We continuously work to make Give Big Kern more engaging for all, in keeping with Kern Community Foundation’s Mission: **Growing Community. Growing Philanthropy.**

Since 2017, we have participated in an annual **Giving Day Leaders Forum** hosted by GiveGab, the New York-based designer and host of our givebigkern.org **nonprofit giving platform**. This convening brings together scores of organizers of giving days spanning from Alaska to Florida, New Hampshire to California, and many states in between, to learn from one another at GiveGab Headquarters.

Seeing the success of Give Big Kern 2019, GiveGab has invited Kern Community Foundation to present at this year’s **Giving Day Leaders Forum** specifically on how we are able to engage Kern’s generous community sponsors in fun and creative ways. It will be an honor to present to leaders of giving days that are much bigger than ours, but we also know that we are a quickly growing effort thanks to the support of our sponsors, donors and nonprofit partners—and we hope to make our community proud!
