

Philanthropy on Tap is a Nonprofit Speaker Series whose purpose is to showcase Kern's hard-working community-based organizations to local business leaders in an informal setting, over drinks and hors d'oeuvres. It is a FREE event series that helps "Grow Community and Grow Philanthropy" by facilitating the creation of strong networking connections between the for-profit and nonprofit sectors. These connections can turn into volunteering, board service, and charitable monetary or in-kind giving for the good of Kern's nonprofit sector. Philanthropy on Tap is a partnership between Kern Community Foundation and the Greater Bakersfield Chamber of Commerce.

In 2019, events will take place from 5:30 to 7 p.m. on the Tuesdays below at two popular locations:
